Dear Mr. Patrick!

As I said, here are the records I am seeking:

Today I am seeking copies of all PDFs created by LA Airport Police in response to requests for records made non-exempt by SB1421. Since these have already been released by LAWA in response to CPRA requests any potential exemptions have been waived and therefore I believe the law requires LAWA to supply them promptly.

I hope this clarifies things for you.

Hi Mr. Patrick,

thanks for your answer. However, this is not an allowed response under the CPRA. As I said, I am seeking copies of certain records. You're not claiming that they're exempt and so your options under the law are to provide copies or to provide download links.

I don't know whether you've already provided me with copies or not but I don't see that it matters. In fact I am aware of at least one published appellate case, the name of which you can have the City Attorney find for you as they're being paid for that sort of thing, in which the court explicitly held that, for perfectly rational reasons, requesters have a right to request and receive copies of records copies of which they already have.

So please reconsider your response and choose one of the options legally open to you.

Thanks, and appreciative, as always, of your good faith!

Adrian

On Friday, November 1, 2019 at 12:38 PM LAWA IMTG provided you with an email advising that a 14 day extension was necessary. Based on a review of your request, there are no additional documents to provide you. APD has already provided you with copies of all PDFs created by APD with redactions pursuant to Penal Code Section 832.7, subdivisions (b)(5)&(6) in response to requests for records made non-exempt by SB1421.

This completes this request.
